

## Lenders

At Ryan Home Loans we have carefully selected our panel of lenders. We choose to only utilise those lenders that will provide the best products and consistently meet our expectations and those of our clients when it comes to service and professionalism.

As your Mortgage Brokering Professionals, we will take the time to understand your needs and goals when guiding you towards the most suitable product or range of products to best suit your needs.

We will not confuse you by discussing dozens of products from dozens of Lenders. Instead, we will be clear and concise in the information we provide and continually ask questions throughout our discussions to ensure we are in line with your expectations and accommodating your requirements.

We have available a selection of major lending institutions such as the mainstream Banks. We have non-banks Lenders that also offer excellent products and services and non-conforming when your situation is outside the normal bank lending criteria.
